

## Salford Royal NHS Foundation Trust – Membership Information

As a Foundation Trust, we have greater freedom to develop services based on the needs of the communities we serve and we welcome patients and public who would like to become members. Members of Salford Royal NHS Foundation Trust have the opportunity to be involved in improving and shaping our future services. Even if you are lucky enough to have never been in hospital, you and/or a family member or friend may use these services one day or you may be interested in the development of the Trust.
