

Gateshead Specialist Memory Hub
Older Persons Community Mental Health Services

Clinical Lead Nurse RMN Band 6
37.5 Hours per Week / PERMANENT
Salary - £

We are a high performing Trust with opportunities for nurses who are motivated and passionate about delivering high standards of patient care.

The Gateshead Specialist Memory Hub is an Accredited (MSNAP) community resource based at Bensham Hospital for all patients over the age of 65 who have been diagnosed with dementia. We offer treatment, education, post diagnostic support and monitoring, cognitive stimulation therapy and carer support.

We are seeking to appoint a dynamic Clinical Lead Nurse with excellent leadership qualities. You must be experienced and committed to working with the older person and have a vision for developing dementia services.

The successful candidate must be caring and compassionate and must be willing to undertake relevant training to meet the demands of the service and will need to meet the following criteria:

- RMN registration with NMC
- Experience at Band 5 including recent experience in dementia care
- Evidence of leadership and effective team working
- Excellent communication and interpersonal skills
- Experience of managing people and resources
- Flexibility to respond to the changing needs and ongoing evolution of the service
- Ability to work as an integral member of the MDT
- Specific interest in developing clinical practice within the team
- Car Driver

This post is full time (37.5 hours per week) and is subject to (DBS) Disclosure and Barring Service Enhanced Disclosure.
