

JOB DESCRIPTION

JOB DETAILS:

Job Title:	Pharmacy Assistant – Rotational
Band:	2
Directorate:	Clinical Support and Cancer Services Group
Department:	Pharmacy (inpatient)
Base:	Yeovil District Hospital
Responsible	n/a
for:	
Responsible to:	Dispensary Manager
JD updated:	New template only 28/1/24

Department Core Purpose

The purpose of the inpatient pharmacy at Yeovil District Hospital (YDH) is to provide the safe and effective supply of medicines to its users following all relevant legislation.

Job Purpose:

The purpose of this role is to carry out core tasks within the dispensary and distribution services to ensure a safe and effective supply of medicines to wards and patients on a daily basis.

To participate in day to day routine pharmacy activities under supervision of the Dispensary and Distribution Managers in line with current policies and procedures.

This role will require you to work one 'late' shift per week where working hours are 9.30-6.00

Weekends and bank holidays are worked on a rotational basis (approx. 1 in 9)

37.5hours per week (Monday to Sunday)

This role does require heavy lifting when on the distribution rotation.

Duties and Responsibilities

Dispensary

- Dispense in-patient supplies and discharge medication to the Yeovil District Hospital Wards
- Dispense the supply of medication for all commercial contracts
- Dispense and supply medicines for St Margarets Hospice in Taunton
- · Receiving, dispensing and issuing out-patient prescriptions,
- Arranging payment for out-patient prescriptions
- Manage the out of stock medicines in a timely manner
- Assist with the dispensing of current clinical trials when requested
- Dispensing total parenteral nutrition, clinic prescriptions and controlled drugs
- Processing of private prescriptions
- Completion of the Dispensing Accuracy Assessment after suitable training
- Prioritise workload appropriately to meet deadlines
- Work alongside the experienced technicians and become familiar with how to manage the smooth workflow of the dispensary
- Assist in the training of new dispensary assistants
- Ensure procedures relating to good dispensing practice are followed
- Encourage and maintain high standards and orderly methods of working
- Undertake routine stock checking and expiry date checking of the dispensary
- Maintain the cleanliness of all dispensary equipment
- Answer the dispensary telephone and deal with ensuing queries
- Log all incoming prescription charts and orders
- Sort emails from commercial units and place in correct trays ready for clinical checking
- Move completed orders from the checking bench to the appropriate dispatch route
- Assist with the stocking up of the Emergency Drugs Cupboard
- Issue FP10 prescriptions to clinics according to procedure.

Distribution

- Receiving deliveries of pharmaceutical goods
- Ensure storage requirements of pharmaceutical goods are met when putting goods away.
- Carrying out expiry date and stock level checks.
- Ensure good stock rotation practices are met
- Participate in the ward top-up service, ensuring that the wards have adequate stock.
- Making appropriate paper and computer entries to maintain proper records of issues, receipts, transfers and returns of goods.
- Assembling sterile fluid orders ready for delivery to wards
- Assisting with the assembling of orders for wards, departments, community hospitals and others as requested and agreed by departmental managers.
- Ensuring that assembled goods are ready for collection at appropriate times.
- Assemble the deliveries ready for despatch to the External units and complete the consignment paperwork
- Ensure that all medicines supplied to external units are stored, issued and transported in line with Good Distribution Practice (GDP)
- Prioritise workload appropriately to meet deadlines
- Assisting with the assembly of emergency drugs for inclusion in emergency boxes
- Delivery of items, including controlled drugs, to wards and departments.
- Removal and correct disposal of refuse from the pharmacy department.
- Assisting with the pre-packing or over-labelling of medicines in the non-sterile manufacturing unit according to departmental procedures.
- Compiling the daily I.V. and topical fluid order to ensure that the hospital is adequately stocked with these items.
- · Complete end of day check list
- Filing pharmacy lists
- Robot expiry date checking
- Following suitable training and experience and proven competency will be required to dispense controlled drugs and PCA orders.

Ward services

The tasks mentioned above may be carried out in the pharmacy department or take place in the ward environment

Communication and Key Working Relationships

- To work closely with Pharmacy Technicians, Pre-registration pharmacy technicians, Pharmacists, Trainee Pharmacists, procurement staff, nursing staff, discharge facilitation team etc. to aid in the smooth workflow of the departmental processes.
- To respect all grades of staff and always work in a professional manner.
- To nurture great working relationships with dispensary colleagues

Planning and Organisation

• To organize certain areas within the dispensary to ensure a consistent supply of medicines to patients. E.g. organizing the 'to follow' medication, planning and organizing the clinic prescriptions for dispensing and collecting.

Analytics

None

Responsibility for Patient / Client Care, Treatment & Therapy

- To deal with queries from patients via the phone/face to face and help facilitate positive outcomes even when patients are distressed.
- To supply medication for patients safely and effectively, according to departmental SOP's.

Policy, Service, Research & Development Responsibility

Reading of Standard Operating Procedures only

Responsibility for Finance, Equipment & Other Resources

No finance responsibility, other than ensuring medicines and resources are never wasted unnecessarily

Responsibility to clean pharmacy desk stations and medication shelving

Responsibility to aid in the topping up and organization of dispensary consumables.

Responsibility for Supervision, Leadership & Management

No line management or leadership responsibilities required

Supervision of pharmacy support workers and new staff will be required after a suitable training period

Information Resources & Administrative Duties

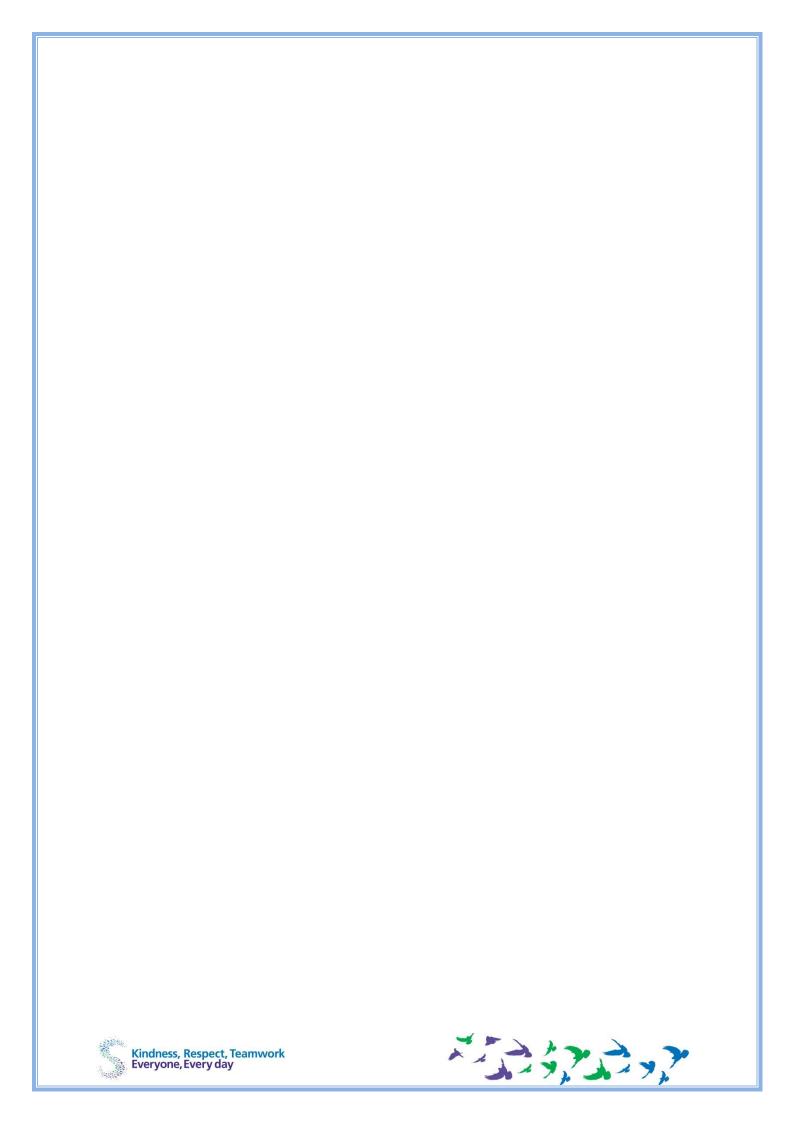

See details in duties and responsibilities.

Any Other Specific Tasks Required

- To participate in staff training schemes.
- To undertake any other duties appropriate to the role.
- To participate in the Saturday, Sunday and bank holiday rotas
- To participate in the late night rota.
