### Why Redbridge?

Redbridge has excellent rail, underground and road links with central London, which are seven miles away. Redbridge services have a culture of continual learning and development. Several service development and QI initiatives are being progressed.

### You will be expected to:

- Work as part of multidisciplinary teams providing care to babies, children and young people across Redbridge.
- Provide senior medical support and guidance to the team
- Work directly with babies, children and young people, and their families and liaise as appropriate with other external health providers and acute hospitals
- Participate in the local Child Protection rota
- Support your peers and team leader, and be an effective team member whilst allowing them to work with their own initiative
- Work alongside 4.6wte Consultant Paediatricians, 1wte Specialist Grade Doctor, 1wte Specialty Doctor, 1.2wte Core/GP Trainees within the service
- Commit to collaborative working, actively supporting and liaising with other health and social professionals, and agencies.

### To be successful in your application, you will need:

- To demonstrate that your values are in line with that of NELFT's values,
- To be innovative, motivated, and passionate about baby, children, and young people health care,
- Essential understanding of current developments in community paediatric care,
- To be a team player

### NELFT Benefits:

- Relocation expenses
- Career Development and training
- Just & Compassionate Culture
